REQUEST FOR REMAILING OF NOTICE OF ALLOWANCE AND  
WITHDRAWAL OF HOLDING OF ABANDONMENT

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby petition to withdraw the holding of abandonment in this case, on the basis that the Notice of Allowance forming the basis of the abandonment was not received. A copy of the Notice of Abandonment is enclosed.

Applicants state that a search of the file and the docket records in Merchant & Gould indicates that this Notice of Allowance was not received. Attached is a copy of the docket record where the Notice of Allowance would have been entered had it been received and docketed. A Declaration of Jodi Gandel-Klein, the Docketing Supervisor is also attached.

The Declaration by Ms. Gandel-Klein outlines the firm's handling of incoming correspondence, including Patent and Trademark Office actions. As noted in the Declaration, the correspondence is brought to the firm, date stamped and sorted between Patent and Trademark Office correspondence, other correspondence possibly requiring docketing, and non-docketing correspondence. The Declaration also outlines the firm's procedures for docketing actions from the Patent and Trademark Office. A member of the docketing department collects the correspondence requiring docketing from the mailroom, and delivers the Patent and Trademark

10/002,913

PATENT

Office correspondence to the appropriate docketing personnel. That person then reviews the correspondence and enters the appropriate information in the firm's automated docketing system. The correspondence is then delivered to the responsible attorney for appropriate action.

Ms. Gandel-Klein confirms that there is no evidence in the firm's docketing records to indicate that the Notice of Allowance in this application was ever received. Ms. Gandel-Klein concludes that, in view of this, she believes that the Notice of Allowance was never received for docketing.

It is believed that this is sufficient to establish the non-receipt of the Notice of Allowance. More particularly, if the Notice of Allowance had been received, it would have been entered into the computerized docket system. However, even if for some reason the information was entered into the docket system under the wrong file number, the Office Action would still would have been associated with the file for this application since the attorney docket number on the Notice of Allowance is correct. Therefore, the absence of the Notice of Allowance from the attorney's file substantiates Ms. Gandel-Klein's conclusion that the Notice of Allowance was not received. In consideration of these submissions, it is respectfully requested that the holding of abandonment be withdrawn.

Please charge any additional fees or credit overpayment to Merchant & Gould Deposit Account No. 13-2725.

Respectfully Submitted,

MERCHANT & GOULD P.C.
